Badger State Conference Sponsorship Opportunities

Many different levels of sponsorship are available, designed to meet the needs of all interested in being a part of Badger State Conference.

CRIMSON SPONSORSHIP \$1,000

Our Crimson Conference Sponsor receives top recognition for their generous support of our conference. This wonderful level of support enables WFHS to provide top quality educational opportunities to animal welfare professionals. Crimson sponsorship includes a vendor booth, name and logo largely featured on conference materials, insert in the conference gift bag, and recognition in web postings and social media. Also includes complimentary seminar attendance for two people.

VENDOR BOOTH \$150

Vendor Booths will be one of the highlights of the Badger State Conference! Time will be available throughout each day for attendees to visit with each booth to learn more about your business and the opportunities available to improve the work they are doing in animal welfare.

A vendor booth includes one 6' table with electricity if needed and two chairs. Extra tables in a vendor booth are available for \$50 each.

Raffles are also held as part of the Badger State Conference to raise funds for future scholarships. All vendors are offered the opportunity to donate a raffle prize, which will help to increase the exposure to conference attendees.

TOPAZ SPONSORSHIP \$500

The Topaz Level of Sponsorship receives recognition in conference materials, acknowledging their support. A vendor booth is included, along with name and logo in conference materials, insert in the conference gift bag, and recognition in postings. Includes a complimentary seminar attendance for one person.

AMBER SPONSORSHIP \$250

An Amber Sponsorship is also recognized for supporting the Badger State Conference with name in conference materials (in smaller print), a vendor booth, insert in conference gift bag, and web posting.

GIFT BAG STUFFER \$50

All attendees at the Badger State Conference receive a complimentary tote bag when they check in at the registration table. It's a great opportunity to provide take-home information about your business or services. You may provide a handout, a product catalog, a logo item such as a pen or magnet, a sample of your product, coupons, or anything that's fun to draw attention!
