Tell us about your Board of Directors service:

Have you held an officer position?

Why are you interested in serving on the WFHS Board of Directors?

What aspect of animal welfare work do you feel is most important and why?

What areas of business would you be interested in working on if appointed to the board?

Do you have any special training that you feel would be an asset to serving on the board?

What is your philosophy on pet ownership?

Are you able to attend a minimum of 4 in person board meetings, and conference call meetings as needed as well as actively participate in committees between regularly scheduled meetings?

Please attach a letter of recommendation.
